## Gold Wedding Package From £795

The Gold is our most popular package, and provides coverage from the wedding ceremony to the first dance.

The photography starts at the church or registry office with reportage-style coverage of the arrival of the groom, best man and guests. The arrival of the bridal party will be captured with photographs taken outside, and where permitted, inside the church or registry office.

Following the ceremony, the register signing and formal group photographs will be taken in addition to any special shots discussed at our pre-wedding meeting. These may be taken either at the church or registry office (weather permitting), or later at the reception venue. The choice is yours.

In all, about 700 photographic proofs will be taken during the day, which will be presented to the couple on a preview DVD/CD, so they may select the prints for their album. The couple may choose up to 75 prints for mounting in a [Sim2000](#) album from their digital range. The A4-sized album will contain 18 pages (36 sides) as standard. Extra pages are available on request, priced at £20 per page.

A leather-bound Jorgensen album from their [Art](#) range is available as an alternative album choice. This album is a 12-inch square premium quality, and contains 15 pages, holding prints up to a maximum of 10 inches square.

The album will be published online so that guests may use our online purchasing. Additional prints may be ordered at our usual prices and will be delivered unmounted. Alternative album options are available on request. Parent and guest albums are available as additional extras and must be ordered at the same time as the main wedding album.

The cost of the Gold service is £895 in high season (May to September), and £795 during low season. There is a £105 premium for the leather-bound Jorgensen 'Art' album.

The price includes basic image enhancements such as sharpening, colour correction and contrast adjustment. Any special enhancements and photographic effects will be charged at an additional rate of £2 per image.

\* Proof images are also available as a printed spiral-bound proof album. There is a £100 surcharge for this service.
